## UTANGULIZI

Matumizi ya mbegu zisizo na ubora na mbegu bandia (feki) yamesababisha wakulima kupoteza kipato kwa kupata mazao hafifu na hata kutopata mavuno kabisa. Sheria ya Mbegu ya Mwaka 2003, inamlinda mkulima asiuziwe mbegu zisizo na ubora na mbegu bandia (feki).

Pamoja na kuthibitisha ubora wa mbegu, TOSCI ina jukumu la kusimamia utekelezaji wa sheria hiyo ili kumlinda mkulima asiuziwe mbegu zisizo na ubora na mbegu feki.
